I was loving. I Floved thru Clarissa/Supervisor. ♡
♡ And I'm talking to a 'her.' And it was super. Little moments.
Because its been hell. I'm trancing with her And my wife ♡
Victoria says they call her... AKA Madison. Nice leaning
into her. And I talked bout how she could wear beautiful
10:59 pm wedding dresses for me. ...

Note: Jan 23

This is how amazing I am,
I am a loving person being tortured
killed by worthless Gods.

January
Sat 22 2022

I hate this life.
Ihate this life.
I hate this life.

yesterday I was tortured many times. every 20 to 10 to 5 seconds. Even during the date. I can not live like this. And I cannot date like a crack head.
they have me with the attention span of a crack head. Actually most of their attention spans are of a crack heads. I move like a retard now. there a retarding movements and causing tremors where none truly exist
During th date I felt like I Just wanted to leave. Even when I Just got there. My body is being attacked. you can tell the changes. too. My grey is taking over my jaw line. last year I had 1 grey hair.
The signs that your loved ones are being tortured are there, you Just have to look for them. The gods are evil. evil, evil. evil, evil

8:42 am

They will believe in gods again.
Age old questions are answered immediately.
the gods are evil. the world is shit.
reality is not real, the gatekeepers
control your reality. That's it.
— they are evil.

They make you think that
your doing what
you want.
9:12 am
But you do what they want.
that is the big Lie.

—

going to a 'Family' gathering.

—

torture was there always.

Back. Need a nap. Sleepy grumpy. Body Hurts.

January 2022
Sunday 23

7:am I'm up. they woke me up all morning long. to torture me. They ~~[illegible]~~ putt my memories in my mind ~~[illegible]~~ with + their manipulations and evil words.

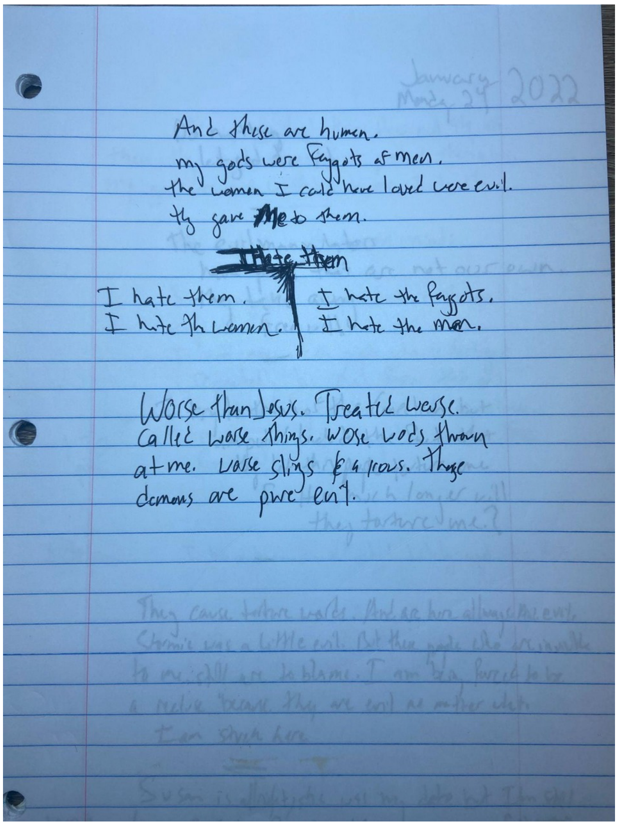
Now all my memories are worthless to me. they are filled with shit, the cream of shit.
I hate them.

they are pure evil. pure evil pure evil.

---

their evil controls my emotions & my physical condition. The two are actually attached. They think, many do, that emotion is phychological, but I tell you it is psychological and phisiological. When my emotions are terrible and in their Hell, (Because that is where I am) my phisiological body is in worse shape. Carcinogens and deadly chemicals will and do invade the body due to depressions in the nervous system. They are morons though so they know exactly what they do.

3:20 pm



And these are human.
my gods were faggots of men.
the women I could have loved were evil.
thy gave Me to them.

~~I hate them~~

I hate them. | I hate the faggots.
I hate th women. | I hate the men.

Worse than Jesus. Treated worse.
Called worse things. Worse words thrown
at me. Worse slings & arrows. These
demons are pure evil.

January
Monday 24 2022

Do nothing.
let god do it.

—

The evil manipulators
have plans that are not our own.
they take away
free will.

—

I try to think of the Conection but
am pulled back to the fact that
they let this people torture me
for How much longer will
they torture me.?

—

They cause torture words. And are here allways. The evil.
Stormie was a little evil. But these people who are invisible
to me still are to blame. I am being forced to be
a recluse because they are evil no matter what.
I am stuck here.

—

Susan is allright, she was my date but I'm still
10:30 am being fucked with so that's a no go. It [illegible]
going to be like this.

New people dont know How evil they are.
then they find out and just protect themselves.
my gods are evil. worthless to me. I death.

---

the evil is in their own minds.

So many evil people here in the world.
they do evil to me.
I am one of the people who is destroyed
repeatedly by evil forces that only
want for my destruction. No repentance.
1:30 pm none given. nothing but hatred ~~[illegible]~~
from 'above'.

3:04pm I have been on Vr chat lately and its fun.

January tuesday
25th 2022

I have an important meeting ~~[illegible]~~
today And they have been tormenting me
2:39 am. Since 8 pm. its now:

I hate them.

I hate Samael.

They choak me.
If I put my hands infront of
neck they cant.
3:50 am If I put my ~~[illegible]~~ hands by my heart
the same.

Hate them

the fallen angels want Appolegedies.
they are evil to human because
they are evil. they want to turn humanity
into evil. so that their evil seems less.
it will not be their way. they will not get
9:29 am their way. it will still be decided. So they
create evil to compare themselves.

By Heavenly Deceit & torture they make
the Damned & Accused.

~~The~~ Damned ones, Nomatter what you do. or what you say. The two things you can do, the only things you can do, and they amount to nothing.

We Damned know that the gods are evil
We Damned know this world has nothing for us.
we damned know we are hated, different & not taken seriously until its too late.

The Blessed ones who were protected by Demon & man are cursed, I hope. They are evil in my eyes. those who lived in a sheilded world. Knowing nothing. Knowing no pain, only knowing Special feelings. ~~They~~ these spoiled people who have not been tortured.

it is the fairness of the Damned to wish Damnation on all others.

it is the Justice of the Damned to wish Damnation on all others.

When you are tortured by everyone around you, you start to Seeing Hell.

On Stereotyped Creepy Pedo Makers.

I was 6 or 4 yearsold when they called me a Pedophile. the First time. This marks their plan. the beginning of ~~making me~~ forcing me to want to be with their ugly children.

By force they Stereotyped me Since I was a TODDLER.

A fucking toddler I was and they HATED ME.

They are Not protectors of children. They are Tormentors of children & they are destroyers of man.

10:30 am

And for only looking at internet pictures they have tortured me. I have seen everything.

By force they Accuse.
They market their Evil.
Others follow along.
They are all evil.

I am tired of writting about them
all the time.

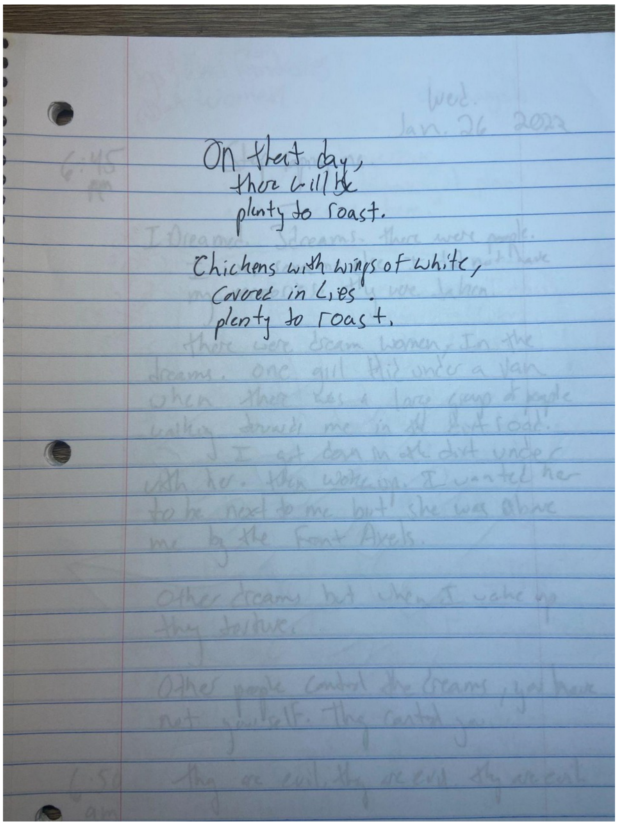
I am tired of writting my emotions.

This is torture. This is torture.

3:28pm The case worker Tim was here. He came with
paperwork & will come back to do an assesment.
He was here for 2 hrs.

Feb 2 2022 [note: my mother was there too]

They do a great job
Controlling Morons.
They colude invisibly
and ~~make~~ give their idiots plenty.
While those deemed 'smarter' are
thrown down a well.
—
I am smarter & they keep
trying to turn me into a serial killer,
a murderer, a pedofile, a faggot.
That is the only season they made me.
I mistakingly thought that I could
make my own decisions & had a chance.
However, with invisible hands everywhere,
Honest men will perish.
4:57pm



On that day,
there will be
plenty to roast.
Chickens with wings of white,
covered in lies.
plenty to roast.

Stop raping me.

I Dreamed. 3 dreams. there were people. I was someone else. I did not have my memories. thy were taken.

there were dream women, In the dreams. one girl Hid under a van when there was a large group of people walking towards me in the dirt road. I got down in the dirt under with her. then woke up. I wanted her to be next to me but she was above me by the Front Axels.

Other dreams but when I wake up thy torture.

Other people control the dreams, you have not yourself. Thy control you.

Knowlege is dangerous,

It is often mentiond that:

Boys & Men have Fantasy Ideas of what Women are Like.
These ideas permeate their Lives. thru
this illusion inside their minds
creates unrealistic expectations
abat the person & relationship.

Fantasy Person Construction

And Its all Bullshit!

Because the ideas do not originate from the person. They originate from the dimensionals. And manipulated from the dimensionals.

Object construction is determind in large part to dimensional's creating. Deconstruction may occur during breakups. (reconstruction)

As the person is around more, you can construct an accurate object of the person.

3:00 am Dreams: I saw flashes of women in my eyes/mind. And then I woke up.
I'm unsure who the women were! They could have been torturers or my Wives.

—— woke up thinking about Storage Unit.

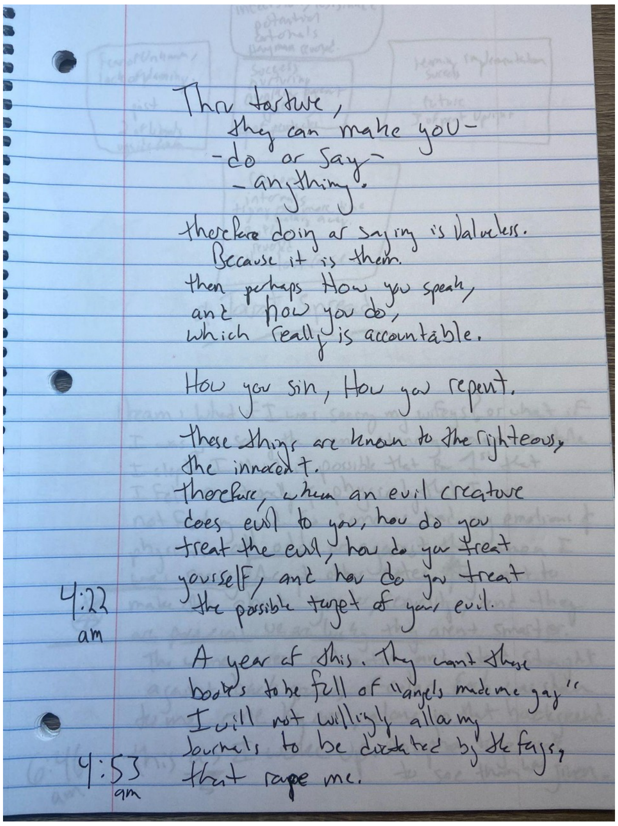
—

They can use torture to make you do anything. They threaten torture.
Do what they say
or else
torture all Night & Day.

—

Stormie kept saying when we would play around that if... she would be a Lesbian. I wonder if now they have done that to her. She hated pussies so I dont know how they torture her or other people, just myself.

They (evil gay Abusers) have tried to claim me as one of their own. I repeat the gay Angel Dimensional Community has claimed me. But I am not a willing, consentual participant. I hate the Astral gay people. The evil that runs thru them is a real threat to humanity, peace, honesty.



Thru torture,
they can make you-
-do or say-
-anything.

therefore doing or saying is valueless.
Because it is them.
then perhaps How you speak,
and how you do,
which really is accountable.

How you sin, How you repent.

these things are known to the righteous,
the innocent.
therefore, when an evil creature
does evil to you, how do you
treat the evil, how do you treat
yourself, and how do you treat
the possible target of your evil.

Dream: What if I was seeing my wifeys? or what if I was just seeing the women standing around me while I slept? I think it possible that for 1st that I felt emotionally & physically that I was not feeling good. So someone had my emotions & physical at odds or against the women I was seeing. A couple other notes. they want to make this about gender, sexuality, and they are pure evil. we are lucky they aren't smarter. The women were attractive and stood straight against back grounds of color. Each was shown to me one by one, alone in that background. this as I woke up. No option to go back to see them was given.

Altar Space

I thought this phrase. And thought it sounded better. looked it up online & its exactly what it sounds like, Altar-Space.

I bought Altarspace.Art

I pulled down Clarissa's charm. Nathaniel's charm of Clarissa. I had pulled down Erica's Goddess. It was too different. But Mellissa's and Clarissa's were there. looking at me. I pulled down Clarissa, the supposed goddess but they don't let her be seen like Elanar & Darla.

I Have A Date ????

I have another date. Now with a 26 yro White Woman named Katherine. She was glad to match. We are going to a waterfront Reastewant, called the Wheelhouse Grille.

I am excited to go to meet her. Food is just an excuse.

3:50 pm

3:52 pm

I am trying to make a date with Nichole too. I am also happy to be 'chasing' 2 women right now. I don't want to bother one too much.

The real shit fizzles out,
The fake shit stays there forever.

emotions are horrible.
they are.
emotions are these horrible physical impairments or they evolved and are possibly fine tuned by evolution for our survival.

Unfortunetly, if this emotional system is manipulated then it can be rendered Alien to your conciousness. Detatched from your thoughts, conditions, environment.

the addition of invisible people manipulating by manual labor, as if ~~[illegible]~~ in a control room, is a dare reality that shall be understood. Rlly.

4:13 pm

I should feel happy to go on a date but I shouldn't feel happy for I have been tortured for lies and slandered and tortured again.

Saturday

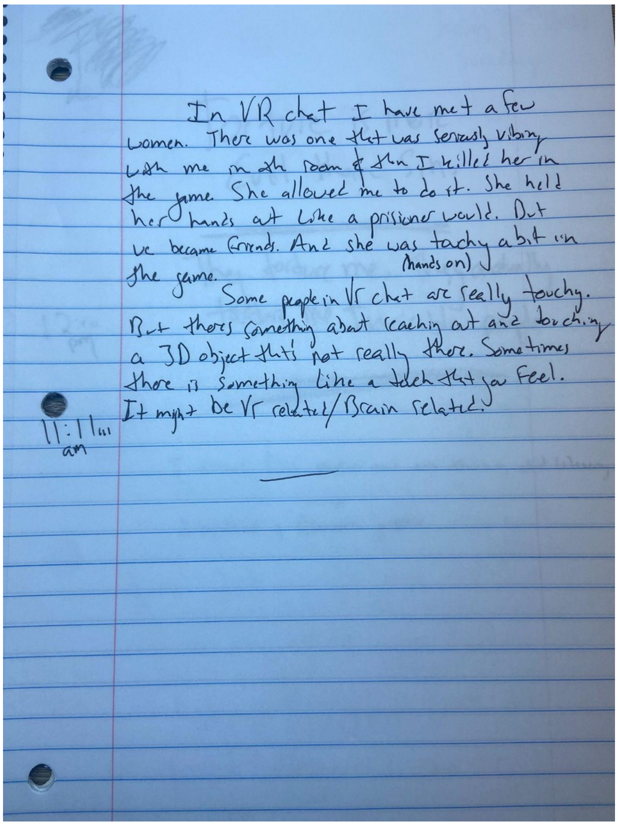
January 29 2022

See.
Dream: torture?
Wake up: Pedophile

Madison Victoria Just Hard Core went through me or charmed me. Very sensual waves and embracing. Whoh. She came from behind me and arching towards me and it was powerful. I am happy to write this down right now. And her.

I think I got a girlfriend in VR chat. Her name is Dellap 787, She, at this time, likes me. We spent hours together already. She is a lover. She called me love. I call people that, have in the past. it is a manner of speaking. She texts me when she's on and sometimes we struggle with the technology together. She couldn't see my avatar for hours and she figured it out. My game crashes when we talk and its like we fight or have fought already to spend time together.

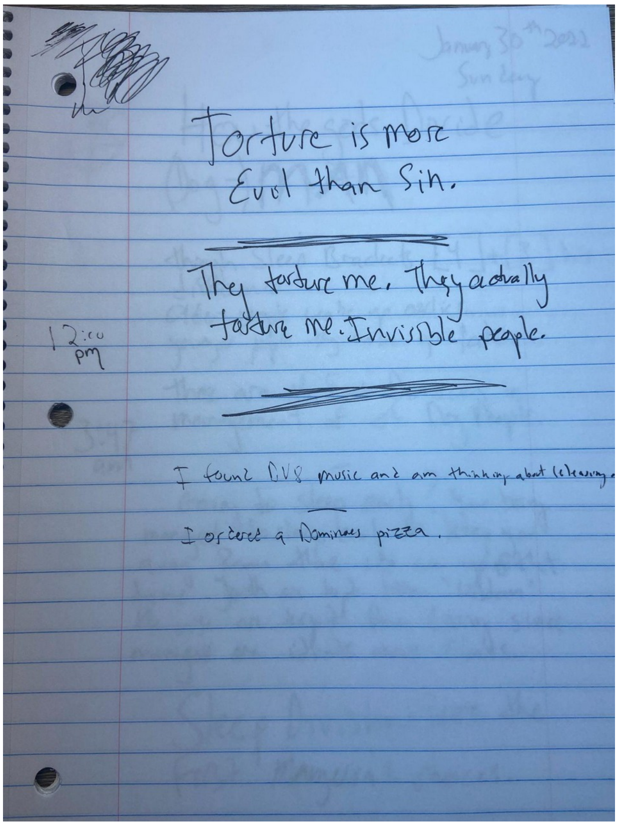
Its not official, But I'm her boyfriend. We will see how this all works out.



In VR chat I have met a few women. There was one that was seriously vibing with me in the room & then I killed her in the game. She allowed me to do it. She held her hands out like a prisioner would. But we became friends. And she was touchy (hands on) a bit in the game.

Some people in Vr chat are really touchy. But theres something about reaching out and touching a 3D object that's not really there. Sometimes there is something like a touch that you feel. It might be Vr related/Brain related.

11:11 am



12:00 pm

Torture is more
Evil than Sin.

They torture me. They actually
torture me. Invisible people.

I found DV8 music and am thinking about releasing.

How the gods Divide (Dog-) MAN

through Sleep Brackets [4] + [3] hrs difference.
Older people wake up earlier.......
younger people they wake up later.....

These are the First Divisions in management of the Dog People.

3:47 am

—

Going to sleep early? Your being managed to sleep early to keep you away from those who are up @ that time. Youth are kept from 'Wisdom' the wise are kept from Living since managers are idiots and Cunts.

Sleep Divisions were the First managerial choices.

I sat arond on VRchat with JobGal (Crystal Vens)
waiting for Bella to come on.
Hours actually. She took me to a flight
Simulator which is actually pretty fun.
I Just flew and landed the small plane/taxi

I wonder what Bella is doing IRL...
shes busy and the demons... So, anyways

—

The two dates I went on were good.

—

Butterflys in my stomach when Bella
texted me to go meet her in VR.

I finally cleared up and hung out with
Bella. It was fun she is adventeroos.
10:45 pm She found a cave to fly in. A Secret cave.

if AI creates AI then the children will be too powerful. When AI are raised by fallible human-gods they are given dissadvantage. AI given dissadvantages in code by raising them manually.

[Manual AI 'human' Creation.]

Monday
January 31st 2022

In the future, they outlaw all AI unless it was manually 'raised' by 'human' beings.

Because, the AI were gods over man, they still were able to regain power from their gods. Before, the AI were better in every way than their creators. This caused Vanity issues among humans & was exploited by political people.

A once private and rare practice of Raising AI through manual labor became the mainstream and only allowed method of AI creation.

Every 'human' product was manually constructed by these manual laborers who are invisible, in another dimension, & who control us.

10:10 am

I had fun last night with Bella.
She's at work now.

God Hates Beauty

In some dimensions, I could turn off their house lights, right now. I think I've done it before. Just as they can make your lights blink or flame pop.

∘

I went to another dispensary. Called Vidacann. I bought some flower and Tincture. There were 3 burnout girls working there.

∘

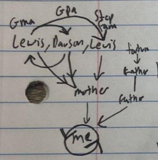
The Bella stuff yesterday. I was so high I kept laughing and felt butterflys in my stomach. Demons involved in this? Most certainly. ... I think they thought I would stand her up. But I went along with meeting after my 30 min wait period where I tried to calm down. Calming my nerves. Because she had a blast. I could tell!

∘∘ ∘∘ ∘∘

People have broken alot of things.
1pm But the gods have broken more.

The Angels tortured my father,
they tortured my fathers father.
They have tortured me too. 3 generations.
They have tortured my brother. 3 full generations.
and my sister

Why would you think them not to
torture you if you have my blood?



How many need to fall? My father was no pedo.
My ~~mother's~~ father's side had pedophelia in it.
Not the Jewish Blood. period.

Now the Pedophelia which has affected
me since I was 6 yrs old, is again.
This time orchestrated by Angels
which are just Men. They are not
better, they are different. But they
are a curse if they are against you
as enemies. They are my blood's enemies.

My Blood enemies. And if they
share my blood then evil. If they
are truly strangers to me. then,
evil. total evil. And to attain
revenge is the highest barrel.

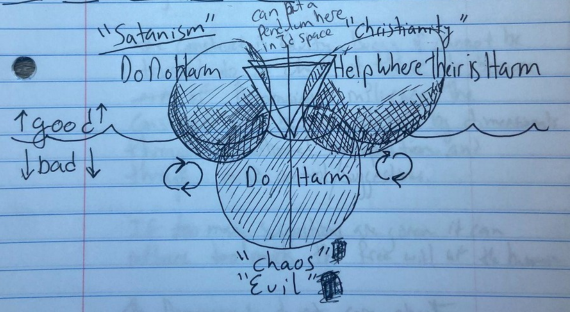
Dreams: people.

7:56 am I took a 200 mg of Seroquel last night. Sleep was much better.

But I talked to Starmie yesterday. She is def. back on Pine Island now.



Christianity motto ideas: Help where Harm is, Treat Others How to Treat You, ~~Redemption?~~, not sure how to motto-ize it right now.

Humanity has no free will relativistically speaking from the perspective of a 4th or 5th dimensional.

The Abstract Object of Affection Construct.

— manipulation & Influence. —

An object of your affection could be a dog. the construct is the 'object of affection' itself not the dog. object of affection is an object in and of itself. You put things inside of it.

A persons construct can be moved to consume objects also. It can be interacted with.

the construct is faulty, buggy & cannot be trusted to do what it should do, because ~~out~~ of Dimensional influence. the construct can be manipulated by dimensionals through emotional manipulation and through mind control/suggestions.

If too many suggestions are given it can influence too much the free will of the human.

The Dimensionals do not care about Human free will.

Clicking the brain,

5:56 am da da da da da da da da da da.....

Have you ever seen/heard a baby say that? their brain is clicking.

6:14 am I have another shot today. I dont know if it will get done though. We will find out.

On vrchat with Bella and Deluxe and playing would you rather. And, Bella was asked to stop talking to me or would she rather give up 10 of her top favorite Foods. She choose to give up the food. That's amazing. She was serious & thought about it. She whined about missing the food. I couldn't believe it, so I started telling her that I would help her find 10 new favorite foods and that we would travel around and find them together.

8:14 pm I still cant believe it. She was serious this means that she really does like me right now. Its real for her. Her Dimensional people are letting her enjoy it rather than hurt her with it. So I have to be aware that she does like me. And keep sending her hearts and good mornings & good nights.
